INTRODUCTION

We now have a dual training licence by bringing on board Johnson White after 30 years of being Assistant Trainer to Philip, during which time he has made an enormous contribution to training the horses and running a smooth yard.

Tom O'Brien rode a brilliant race on Zanza in the Denman Chase at Newbury to notch up our amazing 3000 winners, but he then retired at the end of the season after riding over 1000 winners himself. We are delighted to have Michael Nolan as first Jockey with Sean Houlihan and Ben Jones also riding the horses.

We are very fortunate to have the ever reliable Jo Cody-Boutcher with her secretarial skills in the office and our loyal staff have been busy all Summer steam cleaning, disinfecting and painting all the stables. We have also added new Wood Chip and PolyTrack to the All Weather Gallops and the fences have all been re-birched.

The addition of the large conservatory to the back of our house has been simply wonderful with so many new partnerships and syndicates to entertain weekly. Philip and I would like to thank you for your continued support and wish you a successful season and also lots of fun with your runners.

SANDHILL JOCKEYS

MICHEÁL NOLAN

He has been based at Sandhill since 2010 and has ridden 200 winners. He has waited for Richard Johnson and Tom O'Brien to retire, so now has his chance as first jockey.

SEAN HOULIHAN

He has been based at Sandhill since 2013 and has ridden over 100 winners. He will have plenty of opportunities on the runners from Sandhill and from other trainers.

BEN JONES

He was Novice Point to Point champion and has ridden over 100 winners under rules. He gets plenty of outside rides, as well as regularly riding the Sandhill runners.

CONDITIONAL

ELIZABETH GALE

Elizabeth has ridden three winners and is extremely capable. Her 10lb allowance will be very useful.

AMATEURS

DAVID MAXWELL

David has several decent horses in training to give him every chance of regaining another amateur championship title.

CALLUM PRITCHARD

Callum was National Novice Point to Point champion last season and with that experience we will make every use of his 7lb allowance.

BEN SUTTON

Is very capable claiming the 7lb allowance and this could be his season to win the amateur riders championship.

HORSES FOR SALE

CUHCULLAN'S SON:

2018 b.g. Milan - Castle Jane (Westerer)

Unlucky in his first two Irish Point to Points when he was nearly brought down by fallers, but won well in April at Tralee and looks a progressive five year old. He will start in the Autumn in a Bumper or Hurdle race.

KEABLE:

2017 b.g. Fame And Glory - Sarahs Quay (Witness Box)

A good looking gelding, that has been placed twice over hurdles and should certainly be winning a hurdle race soon. Longer term he will make a decent chaser.

OPTIMISTIC JOE:

2018 b.g. Malinas - Be Optimistic (Stowaway)

Has run in just the one Irish Point to Point and although needing the experience, finished 3rd only beaten two lengths. A big, strong prospective chaser that will start his career under rules in the Autumn.

BY ARCTIC COSMOS:

2019 b.f. - Katies Pet (Glacial Storm)

A half-sister to Mcnamaras Band that won twice from Sandhill and is closely related to Rince Ri. She is cantering strongly and showing promise for the future.

He has been broken during the summer in Ireland. A very strong, good looking sort with plenty of winners in his pedigree.

BY LAURO:

2019 b.g. - Skyra (Scorpion)

A half-brother to a bumper winner. His dam is the sister of Bambi De L'Orme. He is working and schooling well and we look forward to him seeing a racecourse soon.
